

November 15 - 26

Tired of the blank walls? The old posters?

Celebrate with some original art by Toronto artists!

The Don Valley Art Club's - Show Within A Show and Sale is back!

Not only will this great show feature a large variety of original, affordable artworks created in multiple mediums and artistic styles, but it will also include our popular 'Square Foot Art' - each at \$144. A Great Gift Idea!

It is a great opportunity to see original art that is professionally displayed and "ready-to-hang" to enhance an office or home, or for gift-giving.

Bring your friends and family. Introduce others to the satisfaction that comes with living with real art produced by the excellent artists in our own community.

"Meet the Artists" RECEPTION on Wednesday, November 15, 7pm.

Live Demo Portrait Painting in the Gallery on Sunday, November 19.

Show continues to November 26 at the Papermill Gallery, Todmorden Mills Heritage Site, at 67 Pottery Road (closed Monday and Tuesday).
