

Tired of the blank walls? The old posters?

Burst into Spring with some original art by Toronto artists!

The Don Valley Art Club's annual Spring Art Show and Sale is back -- and this year is celebrating Canada's 150th Birthday.

Not only will this great show feature a large variety of original, **affordable** artworks created in multiple mediums and artistic styles, but every one will reflect the artist's Canadian inspiration. It is a great opportunity to see original art that is professionally displayed and "ready-to-hang" to enhance an office or home, or for gift-giving.

Bring your friends and family. Introduce others to the satisfaction that comes with living with real art produced by the excellent artists in our own community.

"Meet the Artists" RECEPTION on Wednesday, May 3, 7pm.

"Community Art Day" on Sunday, May 7 features hands-on demonstrations of portrait painting, plein air and more! Fun for the whole family.

Show continues to May 14 at the Papermill Gallery, Todmorden Mills Heritage Site, at 67 Pottery Road, (closed Monday and Tuesday).
