

DVAC IN-STUDIO WORKSHOP : 666 Eglinton Ave, W.

SHARON KIRSH: Collage Artist

April 13 & 14, 2024, 11 am to 4 pm.

Sharon Kirsh is an award winning artist who creates captivating dreamlike intricately layered paintings using hand-made papers, printing techniques, fabric, stitching, paint and found objects. Skillful and deliberate use of evocative colour and layering techniques bring forth joy, surprise and invite viewers to deeply engage with the work.

Day 1 The focus of this first day will be to create colourful, interesting and enigmatic materials using various mixed media techniques. While playful in approach, strategies for utilizing colour and design principles will be woven throughout. Sharon will discuss how collage/mixed media can enhance other styles including more realistic work.

Day 2 Participants will be given support in developing their ideas and will start to work on pieces using their created materials as well as paint, charcoal and drawing materials.

NOTE: Sharon has suggested a follow up session (shorter) over zoom, a week later for participants to share what they've done or work on a second piece. TBA
